We need you to:

- Report all incidents of motorcycle nuisance to the Police on 01926 415000.
- Name the individuals involved.
- Provide as much information about the bike and the rider as possible

On Wednesday 19 August and Thursday 20 August 2009 after local intelligence was received, warrants were issued by magistrates to search two addresses in the Hartshill area for drugs. SNT officers from the North and East teams recovered cannabis and cultivation equipment from both properties. The occupants of the addresses, were arrested for cultivation of cannabis and duly processed.

- Resources have been identified to enhance patrols for the Holloween and Bonfire period which will include visits to schools highlighting ASB and associated problems. This will focus on the impact this could have, particularly on elderly residents in the community.
- Leaflets/Posters will be distributed in the area for advice.
- Joint patrols have been conducted involving both North Warwickshire and Nuneaton and Bedworth staff to monitor ASB in the Galley Common and Hartshill/Ansley Common areas. This has resulted in a considerable quantity of alcohol being seized.

Number Plate Anti-Tamper Screws

Stealing car number plates seems to be on the up - they are then used on other vehicles to commit further crimes or even shipped abroad. Warwickshire Police can now supply number plate screws for a wide variety of vehicles - free of charge. Once in place, they can't be easily undone without damaging the number plate.
