- 10 Questions from Mancetter Parish Council:
 - In light of the fact that the Borough Council needs to meet the shortfall of funding due to the Council Tax reforms are lists available of:
 - i Statutory services which the Borough Council must provide; and
 - ii Services which the Borough Council currently provide that, as a result of cuts, responsibility may be passed to Parish Councils?
 - Having seen a feature on Country file regarding the massive damage that may be caused to trees by disease and bugs transferred from the continent by infected imports / contamination by local walkers etc can the Borough Council advise what measures are being taken to prevent / restrict the spread of diseases affecting Ash, Juniper and many other tree species? Any plans will need to take consideration of plant movements and de-contamination points for walkers on footpaths in and around the Borough / County Boundaries.
- 11 Any Other Business.
