# Safer Neighbourhoods

**CALL YOUR  
LOCAL  
POLICE**

 **101**

**IN AN EMERGENCY  
ALWAYS CALL 999**

**101 is now the number to call when you want to contact your local police – when it's less urgent than 999.**

### When should I call 101?

To report less urgent crime or disorder and for general police enquiries. For example;

- if your car has been stolen;
- if your property has been damaged;
- when you suspect drug use or dealing;
- to report a minor traffic collision;
- to give the police information about crime in your area; or
- if you'd like to speak to your local police officer.

### How does it work?

You can call 101 to contact your local police force. The service is available 24 hours a day, 7 days a week. For more information visit [www.police.uk/101](http://www.police.uk/101)

### What does it cost me to call?

Calls from landlines and mobile networks cost 15 pence per call, no matter what time of day or how long you are on the phone.

### Can I call 101 if I'm deaf, hard of hearing, speech impaired, or if English is not my first language?

Yes, if you are deaf, hard of hearing or speech impaired you can textphone 18001 101. If you have difficulty speaking English, your local police can access interpreters who can translate your call.

### Remember, in an emergency always call 999.

For example this is when you need an immediate response because a crime is in progress; someone suspected of a crime is nearby; when there is danger to life or when violence is being used or threatened.
