

Protecting our communities together

South Forum

Date:13th July 2010

Data Protection notice

When discussing members of the public, all agencies and individuals will agree to respect their confidentiality. The disclosure of information outside this meeting, should not occur unless there is a legal basis for a disclosure.

PACT Priorities.

Nuisance motor cycles, Gun Hill, Arley.

Agreed police activity, 12 patrols.

Fly tipping, Maxstoke, Fillongley and Corley.

Agreed police activity, 12 patrols. NWBC lead

Illegal encampment, Corley.

WCC lead.

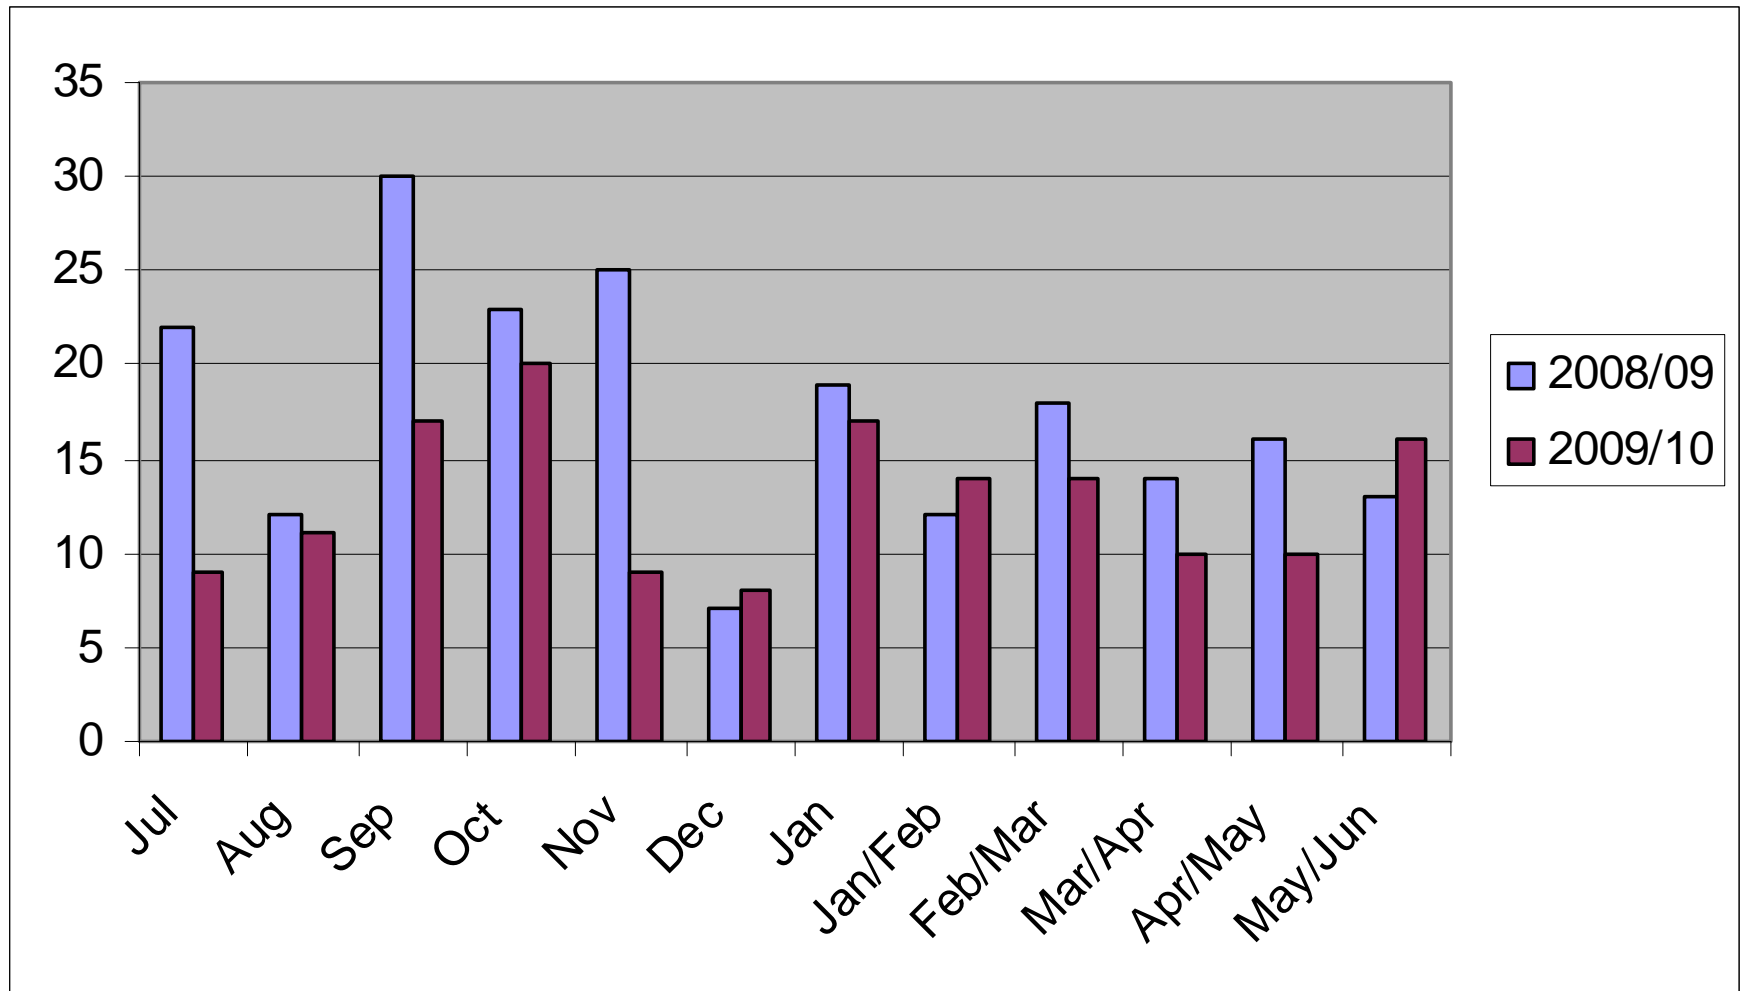

Community Priorities

- Warwickshire Police is obliged to protect communities from harm in line with the 'Police Priorities'.
 - This may mean that in exceptional circumstances SNT officers may be required to work on other policing priorities.
 - If this happens there will be a need to re-negotiate priorities. This will be done in liaison with the Chair and the panel.
- 

ASB - Table of Results from Incidents Monthly Document 2009/10

Area Forum	Jul-09	Aug-09	Sep-09	Oct-09	Nov-09	Dec-09	Jan-10	Jan / Feb	Feb / Mar	Mar / Apr	Apr / May	May / Jun
East	8	23	13	18	8	18	10	10	20	8	13	24

- 1 Section 59 warning issued.
- 2 motorcycles found and seized.

Fly tipping- Area Forum South

Multi-agency meeting, discussing

issues and solutions-

Action plan produced

SARA PROFORMA

Title of Project: Fly Tipping

Area for Intervention: Corley, North Warwickshire

Scanning and Analysis:

Scanning		Analysis ¹		
Problem to be addressed	Evidence Code ²	Location (links to visual evidence and other data)	Victim (known identity/ vulnerable/ repeat/ individual or group)	Offender (known identity/ known group/ repeat offenders/ M.O.)
Fly tipping throughout the parts of North Warwickshire covered by Area Forum South. The main problem is in relation to the large scale dumping of tyres across the area, there is less of an issue with household and industrial waste. Whilst large scale dumping of tyres is officially within the remit of the Environment Agency North Warwickshire were not getting the service from them that they would have liked	A, B	Corley was highlighted as the location of most concern at the Area Forum South meeting. Specific locations across Corley can be identified through the records kept by NWBC.	Local residents and wild life.	It is believed that the large scale dumping of tyres could be attributed to groups of known offenders with additional dumping potentially carried out by local unlicensed breakers yards.

Fly tipping- Area Forum South

Actions:

- Analysis of hotspot areas
- Enhanced patrols around hotspot locations- Fire and Rescue, NWBC and Police
- Meeting with environment agency to address the flow of information
- Talk with tyre disposers
- Publicise fly-tipping prosecutions
- Investigate neighbouring authorities use and success of CCTV
- Increasing public awareness about reporting and personal responsibility

Fly tipping

At the last South Safer Neighbourhoods meeting Residents said.....

Fly tipping is a problem

As a partnership we are

- Raising awareness about;
 - .How to legally dispose of rubbish,
 - .How to check the company you are using is licensed
 - .Who to report fly tipping to
 - .The fine associated with fly tipping
- Increased patrols in the area to identify fly tippers
- Investigating the use of CCTV and signage
- Prosecuting those individuals caught fly tipping

Fly tipping is a crime

If you dump rubbish you will face a fine of up to £50,000 or **6 months in prison**.

Remember if you pay someone else to get rid of your rubbish **you are responsible** for where it is disposed and if it is fly tipped you could be prosecuted.

Always use a registered waste carrier.

Insist on seeing their Waste Carriers Licence. If they don't have a licence they are operating illegally.

You can also check that they are registered waste carriers with the Environment Agency at www.environment-agency.gov.uk/publicregister
Or call 08708 505 506 (Mon-Fri 8am-6pm)

Fly tipping is a crime.

Don't let them get away with it.

Report all fly tipping to North Warwickshire Borough Council on 01827 715341
Or online at www.northwarks.gov.uk/reportit
Or call the Environment Agency Freephone on 0800 807 060

Lack of Police presence	Ongoing Police patrols
Corley services- immigrants and fencing	Site visit conducted, 10 immigrants in custody in last 2 weeks, discussions to be held with the services regarding a fencing

Safer Neighbourhoods

Speeding issues - policy

If speeding is raised as a priority, Police will:-

- Arrange for analysis of accident statistics in area to be conducted.
- Investigate possibility of speed survey.
- Conduct series of speed checks during relevant times to ascertain if speeding issue is genuine or perceived.
- Report back with results to next forum
- In addition forum can consider formation of / utilising Community Speed Watch (if sufficient interest from residents and site suitable) as education tool.

Stop and Search

Warwickshire Police operates a strict policy on stop and search of members of the public.

Police may stop and speak to any member of the public. Policy comes into being when officers detain a person for the purposes of searching.

Officers must have sufficient grounds for searching and give their details (exceptions occur under Terrorism Act, Collar Number) and reasons/grounds for search. A formal record is completed and retained, a copy of which is offered to the person searched.

All searches should be fair but effective; targeting especially specific areas associated with increased crime, e.g., autocrime in Atherstone and burglaries, Whitacre.

North Warwickshire has a small ethnic minority population of approx 2%, but is surrounded by areas with a higher % population, who use the main arterial routes through the area. This leads to an apparently high occurrence of stops of members of the ethnic minorities.

We actively seek any feedback in relation to experiences or thoughts on this policy.

Thank you for your time.

Please contact the team should you have any queries
or concerns.
