Dear James

Date : 4th September 2018

Proposals at Junction 11 of the M42, Stretton - en - le- Field

I refer to your letter of 7 August inviting this Council to forward its representations on the planning application submitted by IM Hill Top Estates Ltd in respect of land at the above address. The matter was referred to the Council's Planning and Development Board on 3 September.

It resolved that your Council be informed of this Council's initial objections and concerns as expressed in the written report in front of the Board.

Secondly, it has requested that a meeting be held between representatives of this Council and your Council in order to discuss these concerns. That meeting would be with Members and officers.

I attach a copy of the report which outlines this Council's initial concerns and I look forward to hearing from you in respect of arranging dates for the meeting.
