Dear James

**Environmental Impact Assessment Regulations 2017 – Scoping Opinion  
Land North East of Junction 10 M42. Dordon**

I refer to my letter of 23 December 2020.

I have received no further responses and thus I can confirm that that letter does constitute the Council's Scoping Opinion under Part 4 Regulation 15 of the 2017 Environmental Impact Assessment Regulations 2017.

Yours faithfully

Jeff Brown  
Head of Development Control
